

# DESIGN PRINT CREATE WITH TEXTILES

Step into a **hands-on** 2-hour workshop designed to spark creative teaching ideas for the secondary classroom. Use our feltLOOM alongside sublimation and direct to garment printers to experiment with innovative approaches to textile design. Explore how digital tools and tactile making can come together.

Presented by experienced teachers, Ash Hall, VCE Media and Digital Technologies Leading teacher & Lorie Zampichelli, VCE Studio Arts, VCD and Product Design teacher
