VCE
FOLIO AND PRODUCTION

Take your VCE project to the next level. Gain exclusive access to state-of-the-art technology, expert guidance, and cutting-edge facilities; make your folio stand out!

The **VCE Folio and Production** sessions, as part of our Makerspace academy, provide students studying VCE subjects with access to Banyule Nillumbik Tech School technology and support from BNTS staff. This **student-led learning opportunity** requires an **induction session with your school** prior to attendance. Importantly, no explicit teaching is conducted by BNTS staff during these sessions.

VCE Folio and Production is perfect for VCE students studying:

- **Visual Arts**, including Art Creative Practice, Art Making and Exhibiting, Media and Visual Communication Design
- **Design and Technologies**, including Product Design and Technologies and Systems Engineering
- **Digital Technologies**, including Data Analytics, Software Development and Applied Computing
